

L I N I A

A VERSATILE TEXTURAL DREAM

A tactile blend of natural fibres for exquisite drapery, LORE brings a new dimension to the Linia range. With a generous wide width, this plain weave drape is also reversible, allowing it to be applied in an endless array of interior spaces to achieve the desired aesthetic, from modern and sophisticated, to relaxed urban.

Application: Reversible in its nature, the cotton and linen blend of LORE offers a soft and dry cotton sateen like finish on one side, and a slubby textured reverse, both with a subtle sheen. Either side of this alluring quality can be used for sophisticated drapery, accent cushions, or decorative lampshades. The 300cm wide width adds to its versatility, perfect for larger architectural sized windows.

Colourways: With a total of 20 skus, LORE offers a vast selection of sophisticated, transitional tones to adapt to endless interior schemes. Nectar, Honeycomb and Alpine are the key trending hues within this diverse palette. While Lagoon, Ink and Onyx serves as strong, bold colour choices for more statement drapes, Mist, Mineral and Ecru bring a more serene and relaxing nature.

Rating: LORE is a 300cm, wide width, Oeko-tex certified drapery texture. With a reversible finish and expansive colour pallet, this 100% natural fibre plain weave brings a sense of refined elegance to a multitude of interior styles, from classic and traditional, to sleek and modern.
