TIMELESS VERSATILITY AND TEXTURE WITH A STYLISH LINEN AESTHETIC – OVERTON by Warwick

Combine casual with a sense of edge with OVERTON. Simplistic yet sophisticated with a faux linen quality, OVERTON is a transitional, chambray-style woven plain that boasts a refined and understated beauty that will elevate any modern residential or urban commercial setting.

- **DESIGN:** OVERTON is a classic, yarn dyed, plain weave made from recycled olefin that embodies a faux linen-look with a washed appearance. Dry in texture, OVERTON is a versatile collection that will effortlessly pair with an array of styles, bringing a raw linen aesthetic to relaxed spaces.
- **APPLICATION:** Durable in nature with WarGuard and Halo easy-clean benefits, OVERTON will provide a timeless, casual feel in a myriad of interiors. Combining laid-back comfort with sophistication for a stylish, yet casual space, OVERTON is perfect for creating simple yet chic sofas, as well as refined cushions and lampshades, in both residential general commercial spaces.
- **COLOURWAYS:** Featuring a palette of 16 colourways, OVERTON offers a mixture of classic and fashion-driven hues that encourage creativity and coordination. Ivory, Linen and Natural bring inviting core neutrals, with Onyx, Bark and Storm providing cooler alternatives. Thistle, Blush and Clay are ideal for lively moods, while Chili, Mustard and Lemongrass add vibrancy for an on-trend interior. For a soft pop of colour, Forest, Seafoam and Denim are calming tones that are bound to soothe.
- **RATING:** Part of our recycled Encore range with Halo easy-clean properties and WarGuard — a unique treatment designed to protect upholstery pieces against common stains without harmful substances — OVERTON is a durable and versatile collection with Oeko-Tex certification and an AS1530.3 fire rating that will sit with ease in any modern residential or general commercial space. All WarGuard fabrics cannot be treated with additional fabric treatments.
