## DEPENDABLE, DURABLE AND CLASSIC - BATISTE by Warwick

Overview: Add natural tones and refined texture to any interior style with BATISTE. Tactile and adaptable, this heavy commercial textile is also fire rated, adding further functional characteristics to its built-in strength and durability. With Halo easy clean properties and an urban palette, BATISTE offers a robust yet sophisticated finish for an array of upholstery applications, in both residential and commercial spaces.

- **Application:** BATISTE has a refined and structured appearance created through its small-scale, yarn-dyed plain weave. This transitional texture is heavy commercial and fire tested to AS1530.3 standards, while featuring the Halo easy-clean label. 100% polyester with a woven backing, BATISTE brings a natural aesthetic and versatile quality to every application, from smaller ottomans, cushions and chairs to larger bedheads and sofas.
- **Colourways:** Refined and adaptable, BATISTE offers a selection of muted tones with an all-embracing nature. The eleven transitional colourways in this range create a placid yet inviting addition to an array of interior settings. Snow, Nougat and Ice bring the lighter neutrals, while Denim, Smoke, Shadow and Flint add the classic urban hues. Warming colors of Brownie, Espresso, Latte and Taupe complete this accessible range.
- **Rating:** BATISTE boasts a AS1530.3 fire rating, with Halo easy-clean and heavy commercial properties. This resilient, natural-look texture offers a core compilation of varying tones, fitting an array of interiors from the classic and simplistic to cultured and modern. The dynamic and accommodating BATISTE will bring tempered and reliable tones to both residential and commercial upholstery applications.
