

LINEA

HONOURING EUROPEAN LEGACY, ITALIAN TWEED REIMAGINED – Campari by Linia

Drawing on the legacy of European textiles, CAMPARI by Linia evokes the relaxed elegance of rustic villas. Chunky yarns and layered colour create a richly textured weave full of warmth and character, resulting in a luxurious upholstery that feels both timeless and inviting.

DESIGN: A classic check anchors the design, expressed through a dense hatched structure that adds visual movement and artisanal presence. Irregular yarns in complementary and contrasting shades feature in this dimensional jacquard, enhancing the depth and texture of the pattern. The comforting surface invites touch, offering a sophisticated aesthetic suited to both heritage interiors and modern residential spaces. Woven in Italy from a considered blend of wool, polyester, cotton and viscose, the composition balances natural tactility with everyday resilience.

APPLICATION: Crafted for lasting durability, CAMPARI carries a commercial rating with a high Martindale and can be treated for stain resistance, making it adaptable to a wide range of interior settings. Despite its strength, the textile maintains a supple handle, allowing it to upholster effortlessly across tailored lines and sculptural forms.

COLOURWAYS: CAMPARI offers a dynamic spectrum of colourways, shifting from multi-tonal classic neutrals to bold and unexpected combinations. Its jacquard weave reveals striking accents, from neon green and sky blue in Lime, to terracotta and teal in Terrazzo, and peach layered with clay in Spritz. Balancing this eclectic energy are versatile neutrals such as Ebony, grounded in charcoal and black yarns, and Latte, woven in soft beiges and dove grey. The interplay of heritage check and contemporary colour defines CAMPARI, a classic reimagined with confident modern character.

RATING: Yarn dyed, Heavy Commercial rated with Oeko-Tex certification.

DESIGN	USAGE	COMPOSITION
CAMPARI	Heavy Commercial	43% Polyester Cotton, 19% Wool, 16% Polyester, 15% Cotton, 7% Viscose
