DRAPERY ELEVATED TO AN ART FORM – CASPIAN by Warwick

CASPIAN is the perfect example of where grandeur meets function. Delivering the depth and richness of velvet with the practicality of light blocking, beauty is balanced with performance.

- **DESIGN:** Woven as a chenille triple weave in a 300cm wide format, CASPIAN embodies the rich, plush allure of velvet, elevated by a textural sheen that catches the light with every fold.
- **APPLICATION:** Designed for commercial and domestic interiors, CASPIAN seamlessly blends indulgent aesthetics with practicality. Offering excellent dim-out properties, durability, and a refined softness it will suit a wide variety of interior spaces from luxury hotels, fine dining restaurants, to stylish homes where atmosphere is everything, and elegance needs to meet everyday functionality.
- **COLOURWAYS:** Rich, dramatic, and deeply grounded, the CASPIAN colour palette is a symphony of bold jewel tones infused with an earthy sophistication. Anchored by trend-forward shades of chocolate, ruby, and copper and opulent sapphire and emerald, each hue is curated to enhance the depth and texture of its chenille weave, allowing light to shift across the surface.
- **RATING:** Oeko-Tex certified with an AS1530.3 and AS1530.2 fire rating.
