## PURE LINEN FOR LUXURY – Haven by Warwick

Warwick Naturally with a refreshing palette, HAVEN brings sophistication to upholstery and drapery need. Pure and inherently harmonious, HAVEN is a premium European linen that revels in the natural lustre of flax, while infusing modern and traditional interior landscapes with a warm, relaxed elegance unlike any other.

- **APPLICATION:** Structured or free flowing, linen is a natural mood enhancer, evoking a sense of serenity and calm. HAVEN's natural fibres bring unique textures and the highest levels of quality to interior design schemes in both casual and formal spaces. The luxurious look and feel of linen is like no other. Showcasing the fabric's natural qualities, HAVEN is a high-end, piece dyed linen that gives armchairs, sofas, ottomans, lampshades, cushions and drapery a distinctly graceful and inviting aesthetic.
- **COLOURWAYS:** With a reimagined, comprehensive selection of 45 colourways, HAVEN offers classic neutrals including snowy whites, beautiful clean greys and modern charcoals for any interior design, while fresh sorbet hues keep it on-trend with a gentle touch of modern colour. Juicy tones with a zesty punch can be found in Papaya, Nectar and Wasabi, while Pistachio, Clay and Duckegg bring calming, therapeutic moods. Inspired by rich tones of the earth, Rust, Spice and Chocolate will create a warm aesthetic, whereas Fawn, Truffle and Brick are perfect for something more soothing. For a touch of nature, Pine, Grass and Vine are natural greens, reminiscent of the forest.
- **RATING:** Oeko-Tex certified, HAVEN's soft yet durable qualities make this collection ideal for general domestic upholstery and drapery applications. With its inherent natural fibres, HAVEN is best suited for domestic, residential use, from relaxed coastal, to modern sophisticated interiors.
