Mix & Match Geometrics

Jigsaw Collection Hanger

The Jigsaw Collection introduces an expansive range of modern geometrics with four mid-scale patterns which are perfect for statement lounges, bedheads, accent chairs, and scatter cushions. This collection guarantees to make any interior pop!

Twister, Jenga and Jigsaw are excellent colour carriers making it simple to mix and match the five of the moment palettes; Marble, Dew, Sunshine, Melon and Indigo. All designs also co-ordinate with the durable and versatile Bendigo plain.

Each design is a yarn dyed* chenille* fabric, woven and licensed as part of our ongoing commitment to Australian Made furnishings and tested to General Domestic Performance standards. They also join our extensive group of Halo fabrics, tested to exacting standards for colourfastness, abrasion, inherent stain resistance and safety*.

Halo fabrics are also resistant to pilling, mould and mildew and impervious to attack by moths, silverfish and insect pests. 'Halo' is the Warwick hallmark for high performance easy clean fabrics.

*Yarn Dyed – Yarn colours are individually dyed prior to weaving.

*'Chenille' – Often mistakenly referred to as a fibre, a soft touch yarn construction.

*Tested for absence of Free Formaldehyde (ISO14184-1:1998)
