## AESTHETIC BEAUTY AND CONTEMPORARY COMFORT, ELEVATED WITH A MODERNISED BOUCLE

Italian sophistication meets captivating texture with LEVANZO, a collection that is beautifully contemporary using a soft boucle loop to transform each look with a modern twist.

**Design:** The collection features two luxuriously plush finishes LEVANZO and RISSO, both showcasing the classic curly construction of traditional boucle fabrics. RISSO stands out with its irregular, spaced yarn dyeing technique creating an organic striped pattern reminiscent of layers of earth accumulated over centuries. In contrast, LEVANZO offers a more consistent, bubble wool finish that has a cutting-edge look for modern interiors while retaining a coziness that can be informally enjoyed.

**Application:** Suitable for heavy/general commercial and residential use, LEVANZO is a wool blend that's incredibly soft to touch while offering durability for use on sofas, ottomans and feature cushions. Its progressive style can also be easily coordinated with other textural or plain fabrics.

**Colourways:** The colour palette is rich and earthy, embodying a mid-century charm with a modern twist. Tasteful yet punchy colours stand alongside timeless neutrals providing a versatile array of combinations to suit any interior. With its sumptuous textures and trend-forward hues, LEVANZO has a colour for those looking to infuse their spaces with warmth, elegance, and a touch of retro charm.
