Marlowe Collection Hanger

Our new flat weave Marlowe collection is the latest addition to our growing Commercial range.

Featuring three geometric designs; Myra, Maisie & Marlowe that all coordinate back with our popular plain, Liam. Available in five commercial specific colourways, this adaptable range is stylish yet understated.

Marlowe, Maisie and Myra are durable, will not shrink and can be easily laundered, including commercial washing and bleach cleaning. Additionally they have been rated for fire retardancy, and are Oeko Tex Certified.

The designs within the Marlowe range are also available with Tritan backing in the Trilby collection.
