WARWICK

BRING WORLDLY CHARACTER HOME THROUGH PATTERN – RUSK by Warwick

Influenced by the patterns and artistry found across continents, RUSK brings a quiet boldness to traditional motifs, creating a contemporary expression with visual and technical strength.

- **DESIGN:** Soft chenille yarns define the organic geometric pattern, standing in contrast against the textured woven ground. Contrasting mottled warp yarns introduce subtle tonal variation, giving the design a naturally layered appearance.
- **APPLICATION:** RUSK is a decorative upholstery developed to work seamlessly alongside plains and complementary patterns, making it an adaptable choice with a high Martindale rub rate for residential and commercial furniture forms and spaces. The balanced all-over repeat provides consistency across the design while allowing for more forgiving pattern matching.
- **COLOURWAYS:** A balanced palette of gold, copper, deep red, khaki and pine is complemented by a refined spectrum of neutrals, from light through to dark, creating a versatile collection with broad interior appeal.
- **RATING:** Yarn dyed, Heavy Commercial rated with Halo easy clean properties, Oeko-Tex certification and an AS1530.3 fire rating.
