SACKVILLE

A 60TH ANNIVERSARY EDITION, DESIGNED FOR THIS MOMENT ALONE – SACKVILLE by Warwick

Sixty years in the making, SACKVILLE is a bold emblem marking the milestone of Warwick Fabrics Pty Ltd being in business for six decades. It is a marker of time and a testament to legacy, conceived as a visual signature for the 60th anniversary, reflecting the evolution of a family-run business, now guided by two brothers.

- **DESIGN:** The SACKVILLE collection is striking and symbolic with bold lines and deliberate detail. The chevron motif is one that has endured through countless seasons, its rhythmic lines creating movement and direction, displaying the progress and continuity that define our six decades in textiles. It's undeniably nostalgic, echoing not only a design classic, but also mimicking the "W" from the Warwick logo, which has woven its way through our history and into homes over generations.
- **APPLICATION:** Boldly adaptable, SACKVILLE will transform commercial and domestic spaces where the energy of chevron is needed to add distinguishable personality. Ideal for use on furniture, drapery and soft furnishing accents, its impact will allow for pairing with various textures and solid colours to add depth and interest while blending within both contemporary and traditional styles.
- **COLOUR:** Available in three colourways, SACKVILLE is led by hero Amber - a vibrant, multi-coloured blend that channels mid-century summer warmth and energy. Emerald captures a fresh, botanical blend of greens, while Mocha offers a grounded, timeless palette of soft browns and neutrals.
- **RATING:** A 100% polyester washable range that is Heavy Commercial rated with Halo easy-clean properties, Oeko-Tex certification and an AS1530.3 fire rating.
- **CURATE:** A partnership with pattern where artists, styles and techniques are explored. Designs are injected with personality and deliver on performance.
