

WARWICK

A COLOURFUL, FLORAL SHEER FOR A DREAMSCAPE FEEL - WHITEHAVEN by Warwick

Escape into a place of wonder with WHITEHAVEN. Inspired by the beautiful coastal beach of the Whitsundays, WHITEHAVEN is a dreamy, floral patterned sheer that exudes colour and playfulness. Self-weighted with a continuous 300cm wide width, this enticing sheer is perfect for bringing relaxed and whimsical moods to any space.

- **DESIGN:** Contemporary and made in Turkey, WHITEHAVEN is a woven, screen-printed sheer that features a watercolour floral pattern, bringing a fun and unique style. Textured with a dry finish, WHITEHAVEN is ideal for creating invigorating environments that will sit beautifully in residential and commercial settings.
- **APPLICATION:** From coastal, to a relaxed, whimsical aesthetic, WHITEHAVEN will bring an uplifting feel to a variety of interiors. Offering a generous 300cm continuous wide width, WHITEHAVEN is self-weighted with a captivating design, making this collection perfect for creating fresh, blooming drapery and Roman blinds in any modern or beach-inspired space.
- **COLOURWAYS:** In four fun colourways that are perfect for summer, WHITEHAVEN offers a gentle wash of colour to enliven any interior. Inspired by sand and soil, Fawn is a classic neutral option that is warm in tone and timeless in style. Bringing nourishing hues of apricot, coral and blush, Lychee takes the beauty of the sunset into its palette. Featuring soft pops of blue and mint overlaid by peach and blush with a hint of yellow, Blossom is a dreamy shade that brings an escapist appeal. Lastly, Seafoam is an oceanic, underwater colour that embodies soft greens, tidal blues and hints of lilac and sand for a mysterious yet calming feel.
- **RATING:** Self-weighted and continuous with a 300cm wide width and Oeko-Tex certification, WHITEHAVEN is an essential for those wanting to create spaces of relaxation with a coastal and whimsical feel. WHITEHAVEN's playful palette of inviting colour combined with its fresh and calming floral pattern is bound to bring a sense of peace and therapeutic feel to modern and coastal interiors.
