## CLASSIC ELEGANCE AND TRADITIONAL DESIGN - ADELINE by Warwick

An elegant compilation of sophisticated designs, the ADELINE drapery collection will blend into timeless residential interiors with ease. Oeko-tex certified with a standard width, ADELINE is a classic and dependable selection with a neutral colour palette suitable to beautiful drapes and refined roman blinds.

- **Design:** This sophisticated range features a piece dyed jacquard weave in a polyester cotton blend, creating a contrast of satin sheen with a matte and dry softly distressed surface. CLAUDIA is a refined plain and ELEANOR a lineal texture, offering more transitional and versatile designs. ADELINE boasts an alluring, scrolling floral and VALENTINA a clean ogee geometric, both with a dry textured background and silky pattern.
- **Application:** Oeko-tex certified with a 140cm standard width, ADELINE is perfect for residential interiors, in elegant drapery and roman blinds alike. VALENTINA and ADELINE are ideally suited to more traditional and elegant schemes, whereas CLAUDIA and ELEANOR are refined and simple designs that can be used in sophisticated and modern spaces, as well as the traditional.
- **Colourways:** ADELINE encompasses six dependable and neutral tones to work in easily with a desired scheme. Pewter and Bone are cool urban colours, while Sandstone and Mink bringing warmer, natural tones. Completing the offering are traditional hues of Nougat and Mercury, to add a touch of elegance. This mindfully coloured palette has a soft and natural appearance overall, so as to be seamlessly integrated into residential homes.
- **Rating:** Sophisticated in nature with Oeko-tex certification, it is a timeless collection with elegant design. ADELINE's soft drape and neutral palette will be effortlessly incorporated into traditional residential interiors for both luxurious drapes and impressive roman blinds.
