## TIMELESS PATTERN FOR A MEDITERRANEAN STYLE – RENATA by Warwick

Experience the style of the Mediterranean with RENATA. Dual-purpose and Warwick Naturally, RENATA is a collection of traditional patterns with a hand-drawn aesthetic that are perfect for creating a relaxed, coastal feel in residential spaces.

- **DESIGN:** In four classic designs inspired by and made in Spain, RENATA is digitally printed on a woven base cloth and embodies a brushed finish — bringing a subtle, refined texture. To create relaxed styles with a Mediterranean feel, MARBELLA is an organic, worldly geometric; ADRA, a traditional, mid-scale ikat design; BONITA, a trailing floral; and RENATA, a mid-scale regency stripe for a coastal feel.
- **APPLICATION:** Dual-purpose and made with a cotton linen blend, RENATA is ideal for incorporating charming pattern that will bring relaxed moods and sophistication to an array of spaces. RENATA's versatility and timeless nature make this collection perfect for creating eclectic drapery, whimsical sofas and ottomans, as well as decorative cushions and lampshades.
- **COLOURWAYS:** Featuring seven colourways, RENATA offers a palette of classic tones that complement traditional Mediterranean style and can be mixed or matched to suit any scheme. Natural consists of warm shades highlighted with grey for a neutral option. Inspired by sunset landscapes, Terracotta offers an on-trend, earthy clay, while Ochre brings a toasty yellow for a touch of sunshine. For traditional blues, Sky is a fresh, cornflower hue, and Ink, a relaxing navy that would be perfect for a Hamptons style. Calming and soothing, Eucalyptus is a soft green that will sit beautifully in nature inspired interiors.
- **RATING:** Warwick Naturally and dual-purpose, RENATA is a versatile collection that is suitable for residential applications. RENATA brings traditional beauty and allows for relaxed and sophisticated coastal settings to be created.
