It's time to feel at home with ALVA, a textured plain with timeless style that can be incorporated into existing design schemes with ease.

From rustic country homes and breezy coastal bungalows to contemporary interiors in trendy urban fitouts, ALVA's transitional mood will create a space that is relaxed, inviting and effortlessly stylish. With subtle two-tone highlights and a diverse colour palette of organic hues, ALVA offers an earthy aesthetic that is casual yet sophisticated.

- **APPLICATION:** Protected by the HALO properties of enhanced durability and easy cleanability, ALVA's plain weave construction and cationic yarns create a textured fabric with tonal variation and a delightfully tactile handle. Boasting a dry crosshatched finish that is subtle and refined, ALVA's washable handle and tailored aesthetic are perfect for soft accessories, bedspreads, roman blinds, upholstery and drapes.
- **COLOURWAYS:** Neutrals colourways such as Ecru and Birch are earthy classics with an organic feel, while Blush and Sandstone present softer shades for a light and dreamy mood. Statement colourways like Atoll and Ink complete the look with trend focused hues that are bold and contemporary.
- **RATING:** Presenting a HALO fabric that is perfect for dual-purpose applications in both residential and commercial settings, ALVA's transitional aesthetic will blend seamlessly into any space. FR rated and Oeko-Tex certified with the added benefit of washability, ALVA is a timeless plain with a textured finish and casual mood.
