**ANGELO**

## A SOPHISTICATED, LUSTROUS SHEER FOR SERENE ENVIRONMENTS - ANGELO by Warwick

Create a sophisticated, atmospheric space with lustrous ANGELO. Elegant and refined in appearance, ANGELO is a serene, woven sheer that is perfect for creating an environment of pure serenity. Self-weighted with a continuous 320cm wide width, this collection brings timeless sophistication to an interior, as well as calming and whimsical moods.

- **DESIGN:** Transitional, ANGELO is a woven, piece dyed sheer that uses cationic yarns to create a two-toned, textural appearance. Embodying a subtle metallic sheen for an elegant finish, ANGELO's texture is refined, bringing sophisticated style to a myriad of settings.
- **APPLICATION:** From calming environments, to serene spaces, ANGELO brings a relaxing and stylish aesthetic to a variety of interiors. FR tested and Oeko-Tex certified, ANGELO is self-weighted and offers a generous 320cm continuous width which adds to its versatility, making it a dream to work with and ideal for creating lustrous drapery in any modern interior, especially for large-scale windows.
- **COLOURWAYS:** Featuring a colour palette of 11 core neutrals, this timeless range offers a selection of classic tones that will suit any need. On the warmer side of ANGELO, Snow, Ecru, Angora, Sand and Fossil will lighten and liven a space, while Slate, Gunmetal, Flint, Fog, Zinc and Mist are cooler and deeper neutral options that will add depth and dimension.
- **RATING:** With a AS1530.2 and AS1530.3 fire rating, this self-weighted and 320cm continuous wide width sheer is ideal for creating serene environments with a sophisticated and stylish feel. Worry-free due to its Oeko-Tex certification, this collection's neutral colourways and lustrous nature brings a sense of serenity and calm to modern spaces.
