

WARWICK

CONTEMPORARY CLASSICS; TO ENDURE THE TEST OF TIME - ANYA by Warwick

Overview: ANYA is a beautiful collection of jacquard weaves that have joined our range of Tritan fabrics. This trio bring timeless design to an ever changing world without compromising on durability and function. ANYA features multi-directional design capabilities within seven colourways, offering a mix and match range that will endure the test of time. ANYA brings classic styles and texture into any contemporary interior.

- **Strength and Durability:** Tested for heavy commercial upholstery applications.
- **Tritan Treatment:** Is odour free, bio-degradable, non-carcinogenic and contains no heavy metals. It is classed as a nondangerous chemical.
- **Moisture Barrier:** Protects interior upholstery constructions by eliminating problems caused by liquid penetration and incontinence.
- **Halo Easy Clean:** High-performance, easy clean fabrics that pass the toughest testing. All Warwick Halo fabrics are woven to precise specifications and tested to exacting standards for colourfastness, abrasion, inherent stain resistance and safety.
- **Antibacterial, Antimicrobial:** Its efficacy is shown to inhibit a wide range of micro-organisms including bacteria, moulds, yeasts and algae. Most significant of which is its effectiveness against *Staphylococcus aureus* A129.
- **Anti-dust mite:** Prevents the infestation of dust mites in new fabrics as well as stopping microbial growth.
- **FR Rated:** Tested to comply with AS1530.3.
- **Bleach Cleanable:** See care label for full instructions.
- **Dual Stocked:** This range is also stocked without Tritan backing, in the Audrey Collection.
