

WARWICK

SERENE STRIA SHEERS - BERMUDA by Warwick

Overview: BERMUDA is a transitional sheer with a stunning stria effect. This breezy, filtering fabric draws name inspiration from the idyllic island lifestyle. Wide-width, Fire rated, continuous and self-weighted, these combined qualities of BERMUDA make it a perfect choice for commercial and residential applications.

- **Design:** Its yarn-dyed, plain weave achieves an almost metallic sheen through its multi-yarn construction; with its linear style, BERMUDA offers an elegant, free-flowing feel. With a dry, textured handle and light, breezy look - this sheer evokes dreamy, carefree feelings.
- **Application:** BERMUDA offers a quintessential sheer with a perfect drape every time. Large scale, architectural windows to soft Roman blinds - this self-weighted, continuous fabric is an ideal sheer for commercial and residential applications with its 320 (cm) wide-width capability.
- **Colourways:** With nine core colours, BERMUDA is an adaptable sheer bringing a serene, luxe look to any space. Ash, Pumice and Steel offer classic, neutral grey tones for universal applications. Truffle, Java and Birch add warmer hues with a metallic aesthetic, creating a more dramatic statement. Colours of Vanilla, Snow and Quartz bring light, breezy neutrals perfect for blending into spaces adding subtle and soft texture.
- **Rating:** BERMUDA is FR tested to AS1530.3 & AS1530.2 standards. With an Oeko-Tex certification, 320 (cm) wide-width and continuous qualities, BERMUDA is an extremely functional sheer; offering the perfect drape with its self-weighted finish. With its stria effect and nine colourways, BERMUDA is a striking sheer solution for both residential and commercial applications.
