

WARWICK

A WORLD OF IMAGINATION - LIL' MUNCHKINS by Warwick

Overview: Reminiscent of childhood escapades filled with colour, laughter and exploration, LIL' MUNCHKINS allows your unique sense of style to come alive. Presenting a delightful selection of whimsical prints, fun designs and playful colours, LIL' MUNCHKINS is designed for the young at heart.

Featuring two complementary themes of jungle safari and botanical wildlife, LIL' MUNCHKINS is a contemporary fusion of design with a magical mood that will inspire, uplift and ignite the imagination.

- Inspiration: Drawing inspiration from the whimsical illustrations and imaginative lifestyles of young children, LIL' MUNCHKINS is a truly captivating collection that acts as a tribute to the uninhibited creativity, endless adventures and boundless energy of childhood.
- Application: Boasting a dry textured handle that will blend effortlessly into the casual environment of a child's room, LIL' MUNCHKINS uses digital print, embroidery and jacquard weave constructions to create a mix and match statement. This fun-loving collection is only limited by your imagination, feeling at home on cushions, feature furniture, bedspreads, curtains, wall hangings, bedheads, fabric tents and even lampshades.
