

WARWICK

BOLD, BRIGHT GEOMETRIC - BOLTON by Warwick

Our new contemporary geometric range, Bolton, is bold, bright and bound to light up any space. With a mid-scale repeat, the power of pattern comes into play bringing an eye-catching, energetic style to any room.

- With a retro yet modern feel, Bolton will spice up any space as either a feature or contrast design element. Available in 10 colourways there is a colour to suit any scheme; classic neutrals of Natural, Mocha, Ebony and Graphite or playful fashion hues of Citron, Melon, Chili, Magenta, Aqua, and Denim.
- Bolton is suitable for General Domestic use, coordinating easily with our Heavy Commercial plain, Jack.
- Pairing practicality with beauty, Bolton is 100% polyester, with the look and texture of a natural fibre. Additionally, Bolton and Jack join our library of high performance, easy clean 'Halo' fabrics. Our Halo fabrics are woven to detailed specifications and tested to exacting standards for colourfastness, abrasion, inherent stain resistance and safety. Halo fabrics are also resistant to pilling, mould and mildew and to attack by moths, silverfish and other insect pests.
