

WARWICK

TEXTURE ON TREND – BRISTOL by Warwick

Adding interest and depth to existing design schemes, BRISTOL is a contemporary range with a natural texture and a stunning lustre. A tactile surface and raw finish, BRISTOL'S modern colour palette and urban aesthetic create a relaxed urban style statement with a polished feel.

- **DESIGN:** Drawing inspiration from current texture trends, BRISTOL is a chunky tactile plain that can be incorporated into existing design schemes with ease.
- **APPLICATION:** Featuring a subtle two-tone woven construction that offers tactile touch without compromising on a soft handle. BRISTOL is a piece-dyed blend perfect for adding a stylish texture to upholstery applications at home as well as in commercial environments.
- **COLOURWAYS:** Presenting a diverse palette of urban shades, BRISTOL can be integrated seamlessly into contemporary colour schemes or used as a bold style statement. On-trend colours such as Mustard, Garnet and Eggplant provide a vibrant aesthetic with a fresh feel, while Ivory, Smoke and Mocha are key neutrals with a modern influence.
- **RATING:** A durable mix fibre blend with the added benefit of being FR tested, BRISTOL is a high performance range that is perfect for upholstery purposes in both residential and commercial settings.
