CAYE

BRING A SUBTLE, ELEGANT SHEEN WITH AIRY, ETHEREAL SHEERS – CAYE by Warwick

Serene and elegant — and part of our Encore range — CAYE is a transitional plain sheer made from recycled polyester that is perfect for bringing an ethereal aesthetic to a space. Self-weighted with a continuous 320cm wide width, this collection offers an airy, relaxed feel with a beautiful subtle sheen.

- **DESIGN:** Contemporary with a calming nature, CAYE is a plain, woven, piece dyed sheer made from 80% recycled polyester, making this collection an excellent environmentally-friendly option. Inspired by the coast, CAYE embodies a dry finish with a soft sheen that is ideal for creating light, tranquil drapery in both residential and commercial settings.
- **APPLICATION:** CAYE will bring serenity and an elegant feel to any room it features in. Self-weighted, CAYE offers a generous 320cm continuous wide width, making it perfect for creating airy drapery, Roman blinds and lampshades.
- **COLOURWAYS:** Featuring ten timeless shades, CAYE's colour palette is extremely versatile and will sit effortlessly in a myriad of interiors. Parchment and Milk are classic essential whites, while Pearl and Linen bring core neutrals. For a touch of complexity and dimension, Glacier, Pebble and Charcoal offer cool grey options, whilst Apricot, Champagne and Eucalyptus provide fashionable hues for a unique style.
- **RATING:** Oeko-Tex certified with an AS1530.3 and AS1530.2 fire rating, CAYE also features the benefits and sustainability of being part of our recycled Encore range, offering a low environment impact option while bringing high quality and performance.
