

WARWICK

A CONVIVIALITY OF CLASSIC CORDS - CRUZE by Warwick

Overview: A transitional collection of classic cords, CRUZE brings depth, direction and contrast to an endless array of applications. This globally recognized heavy commercial plain creates feelings of nostalgia with a trending new palette and plush pattern. Fire rated and featuring Warwick's Halo easy clean properties - CRUZE adds a carefree, chunky texture to any upholstery projects in residential and commercial environments.

- **Design:** CRUZE is piece-dyed with a classic corduroy construction. This combination creates its enticing texture, matte sheen and soft, structured finish. Teamed with a heavy commercial rating, TC backing and playfully toned palette, CRUZE is a quintessential plain fabric that brings visual and tactile interest to most interior schemes.
- **Application:** This collection creates everything from cosy and comforting cushions to chunky statement pieces of any size or nature. CRUZE brings heavy commercial strength and stability to most upholstery applications with its classic corded pattern and sumptuous structure.
- **Colourways:** CRUZE strikes a cord in many interiors with its 17 tonal colourways. Classic neutrals to adapt and accommodate into any interior include Snow, Vanilla, Asphalt and Slate. Cool colours like Midnight, Ocean and Seafoam alongside with warmer hues of Mustard, Rust and Chili bring a more playful palette to suit a variety of residential and commercial applications.
- **Rating:** This heavy commercial cord features an Oeko-Tex certification and AS1530.3 fire rating. With worry free and easy-clean Halo properties, CRUZE adds nostalgic texture, tactile depth and comforting contrast to residential and commercial upholstery applications.
