Features

Strength and Durability: Tested for heavy commercial upholstery applications and extended performance and appearance characteristics.

Halo Easy Clean: High-performance, easy clean fabrics that pass the toughest testing. All Warwick Halo fabrics are woven to precise specifications and tested to exacting standards for colourfastness, abrasion, inherent stain resistance and safety.

Moisture Barrier: Protects interior upholstery constructions by eliminating problems caused by liquid penetration and incontinence, together with an easy clean fabric surface.

Fire Rated: Tested for AS1530.3.

Tritan Treatment: Is odour free, bio-degradable, non-carcinogenic and contains no heavy metals. It is classed as a nondangerous chemical.

Antibacterial, Antimicrobial: Its efficacy is shown to inhibit a wide range of micro-organisms including bacteria, moulds, yeasts and algae. Most significant of which is its effectiveness against Staphylococcus aureus A129.

Anti-Dust Mite: Prevents the infestation of dust mites in new fabrics as well as stopping microbial growth.

Bleach Cleanable: Tested for and passes bleach cleaning. Refer to care label for full instructions.

Dual Stocked: This range is also available stocked without Tritan backing, in the Jasmine Collection.

Australian Made: Proudly Australian made and registered by the Australian Made Campaign.

Guarantee: 3 Years. Please see www.warwick.com.au for further information.

Customisation: Our Design Studio is able to develop custom designs and colour for your personalised requirements. Please contact your local representative for further information.

Australian and New Zealand Test Standards

WYZENBEEK Rub Test: Heavy Duty Commercial Rating
(ASTM D3597,mesh, 4lb/3lb) Test Report Available on Request

Fire Hazard Properties: AS 1530 Part III Conducted
Test Report Available on Request

Warwick performance standards meet or exceed industry requirements. Please note that test results are intended as a guide and should be considered in conjunction with the fabric usage.

Warwick Fabrics have a commitment to our care of the environment. We request that if these samples are no longer required please contact your local Warwick Fabrics Showroom so that we may recycle them. Thank you.
