

WARWICK

MAXIMALIST DESIGN WITH AUSTRALIAN SOUL - DAINTREE by Warwick

DAINTREE delivers a maximalist print with sophistication that will create a bold, nature-inspired statement and provide the perfect anchor to craft a uniquely personal space that feels vibrant, untamed, and effortlessly homely.

- **DESIGN:** Characterised by their use of natural motifs, tropical inspired designs are dynamic and flowing where nature's drama is artistically captured. Using scale and a dry textural finish with a subtle sheen to evoke the raw beauty of Australian rainforests, DAINTREE mimics dense foliage and sunlit canopies creating a lush and layered experience.
- **APPLICATION:** With versatility in mind, DAINTREE has potential to be used across a range of applications in both commercial and domestic spaces bringing the outdoors in and cultivating a relaxed, tropical sanctuary. Mix and match with micro-patterns or bolder pops of colour to create a playful environment or pair back with neutral colours and textures for a more sophisticated style on accent furniture, cushions and drapery.
- **COLOURWAYS:** Four colourways makeup the DAINTREE collection taking inspiration from the Australian tropical forests to dry desert foliage. Each has a foundation of subdued, grounding tones that are highlighted with a watercolour style richness making it a flexible option when integrating into various interior colour palettes.
- **RATING:** Heavy Commercial with Halo easy-clean characteristics and an AS1530.3 fire rating.
- **CURATE:** A partnership with pattern where artists, styles and techniques are explored. Designs are injected with personality and deliver on performance.
