DREAM WEAVES WITH A PLUSH THROWBACK BEAT – DION by Warwick

DION evokes nostalgia where it blends the bold energy of the past with contemporary comfort and style. Connecting both luxury and vintage charm, DION symbolises status, artistry and individualism.

- **DESIGN:** Piece dyed and woven with a soft, short pile chenille and a shiny yarn, a classic velvet style lustre is produced that is accentuated with a unique cross-hatch texture, giving DION a relaxed look with visual surface interest.
- **APPLICATION:** Perfect for both residential and commercial use, DION is a durable, value-driven solution designed to meet the demands of busy households, corporate environments, and educational spaces. Its versatility makes it ideal for furniture and statement soft furnishings, where style and practicality is complemented with colour and texture.
- **COLOURWAYS:** DION offers a comprehensive colour palette that bridges vintage vibrancy with modern sensibility. Fresh tones of blue, butter yellow, clay and rouge are balanced with core neutrals like grey, ivory, black and taupe creating a spectrum that caters to those looking for something that will add a dynamic edge to any design, whether seeking saturated colours or clean and contemporary basics.
- **RATING:** Heavy Commercial with Oeko-Tex certification, Halo easy-clean characteristics and an AS1530.3 fire rating.
