

WARWICK

CLASSIC PATTERN WITH AN ENERGISING PALETTE FOR ELEVATED STYLES – HIGHLANDS by Warwick

A rejuvenated twist on legendary classic style, HIGHLANDS is a collection of traditional check and stripe patterns inspired by the Scottish Highlands. In three enduring designs that embrace a mid-century feel with an energised and playful palette, HIGHLANDS will invite feelings of the past to contemporary spaces and is perfect for those wanting to create a cosy atmosphere, reminiscent to a classic country home.

- **DESIGN:** HIGHLANDS is woven, yarn dyed collection of timeless checks and stripes that each embody a subtle chunky weave texture for visual interest. Dry and tactile, and perfect for pairing back with a variety of styles, HIGHLANDS features DUNDEE, a classic twill weave stripe where its construction and pops of colour highlight its design; HIGHLANDS, a tartan check with a marled look; and EMIR, a complementary, two-toned plain that pairs back effortlessly with each pattern.
- **APPLICATION:** HIGHLANDS will bring a cosy, comforting feel wherever it is featured. This versatile collection is perfect for creating timeless sofas, as well as casual cushions and lampshades, and will also sit beautifully in country or cottage style settings, including a wintry ski lodge or a relaxing cabin.
- **COLOURWAYS:** Featuring seven colourways, HIGHLANDS offers an extensive selection of classically inspired and contemporary pops of vibrant hues that will suit an array of interiors. Alabaster and Taupe are core, warm neutrals with Charcoal bringing a greyscale option. Exuding romance and perfect by the fireplace, Rouge combines inviting red with pink and blue, while Terracotta has a unique combination of terracotta, green and azure for a classic or modern feel. For a chic beach house look, Blue is a great choice for a Nautic style, whilst Green is fun, punchy alternative that will provide a soothing aesthetic.
- **RATING:** Heavy Commercial with an AS1530.3 fire rating and Halo easy-clean certification, HIGHLANDS is a durable collection with the added benefit of Halo easy-clean properties, making it perfectly suitable for commercial and residential applications. Certified for quality management system ISO9001, HIGHLANDS is bound to bring a touch of sophistication with a sense of tradition to both contemporary residential and commercial interiors.
