## A FIREWORK DISPLAY OF DIGITAL FLORALS - EDEN By Warwick

Overview: Expressive and bold, EDEN is a large scale floral print that ignites the senses with explosions of colour and contrast. This digital dual-purpose print is perfect for adding statement colour.

- Inspiration: EDEN draws on the fresh and fun feelings of spring and summer. Exuding a feeling of life from its digital print, this fabric boasts a contemporary new approach to traditional florals on a large scale.
- Design: A multi-directional, large scale floral design, EDEN's four colours are fantastic for adding bold, beautiful contrast to any space. Digitally printed on a plain cotton weave, EDEN offers intricate detail and depth that are hard to achieve with traditional print methods.
- Application: EDEN is a dual purpose fabric suitable for lighting, cushions, upholstery with an organic, soft feel perfect for drapery. Its heavy domestic and General Commercial qualities make it perfect for everyday applications.
- Colourways: Autumn's earthy palette uses warm, subtle, natural tones while Lagoon is an electric blue, bold statement. Orchid encases the feminine pinks and violet tones while Chintz has a multi-coloured, summery, playful feel.
- Rating: Warwick Naturally and Oeko-Tex Certified, EDEN is 100% Cotton giving an organic and natural feel. Suitable for both residential and commercial upholstery, as well as drapery applications. Unique and expressive, EDEN uses digital printing to achieve its painterly style finish to excite the eye.
