

WARWICK

A PARADE OF PERENNIAL TONE AND TEXTURE - ELTON by Warwick

Overview: ELTON adds an abundance of soft-touch colour to the Warwick range. This tonal array of colour creates a myriad of moods in commercial and residential environments with its fire tested, heavy commercial rating.

- **Design:** Satisfyingly soft and sensual, ELTON is a 100% polyester warp-knit with a TC back. This piece-dyed fabric features cationic yarn and a brushed finish, giving ELTON its enticing aesthetic and subtle matte sheen. Teaming Halo easy-clean properties and ELTON's mottled look, this fabric is exceptionally adaptable to most interiors.
- **Application:** Composing a selection of moods with strength and stability, ELTON will satisfy the senses in a versatile collection of colours for any cushion or upholstery application. With its matte, brushed finish and tonal aesthetic, ELTON is the obvious choice for adding captivating colour.
- **Colourways:** ELTON's 26 soft-touch colours create countless moods from tailored and elegant to alluring and adventurous. Trending tones include Peach, Army and Agave. Classic neutrals are found in colours like Clove, Graphite and Shell. For a bolder punch, see hues of Honeycomb, Sapphire and Cranberry.
- **Rating:** This Oeko-Tex certified, heavy commercial fabric features Halo easy-clean properties and is fire rated to AS1530.3 standards. ELTON's brushed, matte finish and TC backing make it the perfect choice for active areas that require care-free strength and stability. This fabric's large colour line and tonality brings soft-touch textures to any interior application large or small. ELTON offers users a classic, wool-look alternative that can adapt to any environment.
