

# LINIA

EMERY

## SOPHISTICATED, ITALIAN-MADE TEXTURE FOR TIMELESS, INVITING SPACES

Made in Italy and part of our LINIA range, EMERY is a sophisticated, timeless plain that will sit effortlessly in modern interiors. Durable with a beautiful two-toned finish, EMERY is perfect for creating a relaxed and raw aesthetic for luxurious residential and urban heavy commercial spaces alike.

**DESIGN:** EMERY is a dry, contemporary, woven plain that was inspired by in vogue large-scale, chunky texture. Yarn dyed, its combination of polyester, linen and cotton fibres create both visual appeal and interest in its finish, as well as tactility, making this collection perfect for heavy duty upholstery use. With its two-toned, luxurious appearance, EMERY is ideal for creating relaxed spaces with a natural aesthetic and mood.

**APPLICATION:** With a Heavy Commercial rating, EMERY is a perfect option for those looking for an upholstery plain that is full of character with the added benefit of being durable and tactile. Versatile in style, EMERY can be used to create chic sofas, and beautifully textured cushions and lampshades.

**COLOURWAYS:** Inspired by nature, EMERY offers a soft palette of 12 colours that are timeless and reminiscent to hues found in natural elements. From light neutrals in Pearl and Wheat, to timeless greys in Fossil and Pepper, there is a fine mixture of warm and cool tones that will suit an array of spaces. On the more colourful side of this collection, ocean inspired blues can be found in Marine and Denim, while fashion shades such as Honeycomb, Sprout and Blush bring subtle pops of colour and add warmth to an interior.

**RATING:** Durable and Italian-made with a Heavy Commercial rating, EMERY's appealing chunky texture combined with its nature-inspired colour palette is bound to create unique designs and styles, as well as rustic and casual moods. Whether it's for a contemporary or transitional look, EMERY is a collection that brings inviting and compelling texture that is not only versatile, but timeless.
