Overview: AUDREY is a contemporary take on timeless patterns designed in our Melbourne studio. The considered palette continues to connect modern day spaces with durability to stand up to the test of time.

- Inspiration: Drawing from Greek key, mosaic and leaf trail; AUDREY, CLARISSA & FAITH have been designed to bring classic patterns to a modern and contemporary world.
- Design: This eclectic trio of fabrics bring timeless design to an ever changing world. With multi-directional capability and a subtle textured sheen, due to the mix of chenille and polyester yarns used within the jacquard weave. AUDREY, CLARISSA & FAITH offer a contemporary classic style to any interior.
- Application: With Warwick HALO properties, heavy commercial rating and FR testing, these mix and match designs are a perfect fit for any situation. With its multi-coloured weave and multi-directional pattern AUDREY offers the perfect solution to incorporating classic and traditional style into any space.
- Colourways: With a refined contemporary palette the six colours are suited to many situations. Ebony, Navy, Paprika and Gold bring bold, dramatic contrast to the classic style and are perfect for adding statement colour. LINEN & SKY offer a soft contrast with a more calm and relaxing nature to the patterns, perfect for adding subtle colours into your space.
- Rating: FR rated and featuring Warwick's HALO properties. AUDREY, CLARISSA & FAITH offer heavy residential and commercial durability with classic and timeless design, perfect for all environments and applications.
