

WARWICK

TIMELESS YET CONTEMPORARY - FENDER by Warwick

Overview: The relaxed textural feel of FENDER sets the tone for its desirable appeal. Think sophisticated, clean comfort meets organic textures, which are available in a broad range of colour to satisfy the minimalist mind and the lover of bold experience alike. FENDER is a versatile range that has the ability to adapt into any environment.

- **Strength and Durability:** Tested for heavy commercial upholstery applications.
- **Tritan Treatment:** Is odour free, bio-degradable, non-carcinogenic and contains no heavy metals. It is classed as a nondangerous chemical.
- **Moisture Barrier:** Protects interior upholstery constructions by eliminating problems caused by liquid penetration and incontinence.
- **Halo Easy Clean:** High-performance, easy clean fabrics that pass the toughest testing. All Warwick Halo fabrics are woven to precise specifications and tested to exacting standards for colourfastness, abrasion, inherent stain resistance and safety.
- **Antibacterial, Antimicrobial:** Its efficacy is shown to inhibit a wide range of micro-organisms including bacteria, moulds, yeasts and algae. Most significant of which is its effectiveness against *Staphylococcus aureus* A129.
- **Anti-dust mite:** Prevents the infestation of dust mites in new fabrics as well as stopping microbial growth.
- **FR Rated:** Tested to comply with AS1530.3.
- **Bleach Cleanable:** See care label for full instructions.
- **Dual Stocked:** This range is also stocked without Tritan backing, in the Flynn Collection.
- **Australian Made:** Proudly Australian made and registered by the Australian Made Campaign.
