

WARWICK

A SPLASH OF COLOUR WITH A TACTILE TWIST – GROVE by Warwick

Feel at home with GROVE, a transitional plain with an organic aesthetic that is casual, relaxed and effortlessly urban.

Boasting a functional wide width of 300cm and a textured finish, GROVE is a versatile fabric that will blend into existing interiors with ease. From subtle to statement, GROVE's square weave construction and sophisticated colour palette offers the perfect balance of texture and style.

- **APPLICATION:** Featuring a plain weave construction and a piece-dyed finish, GROVE is a wonderfully tactile fabric that boasts visual interest and a dry textured handle. Designed in a wide width of 300cm, GROVE's cationic yarns create a charming two-tone effect and a raw aesthetic that is simply perfect for drapes, lampshades and Roman blinds.
- **COLOURWAYS:** Nougat, Driftwood and Steel are examples of timeless colourways designed to complement existing colour schemes, while tones like Pine, Ocean and Rosewood are sophisticated hues with a fashion focused aesthetic that is ideal for fresh modern spaces. Celadon, Musk and Storm complete the colour palette with light pastel hues that are soft, romantic and dreamy.
- **RATING:** FR rated for both AS1530.2 and AS1530.3 and Oeko-Tex certified, GROVE's wide width characteristics and textured handle are perfect for drapery applications in both residential and commercial settings. Offering a harmonious balance of construction and colour, GROVE will bring a relaxed sense of style to traditional and contemporary interiors.
