LEGACY WOVEN WITH LINES THAT DEFINE – HARRINGTON by Warwick

Stripes and checks are icons in textile history from polished rebellion to the artistry of haute couture, inspired by the heritage of classic tailoring and the subversive energy of modern luxury, HARRINGTON blends formality with effortless comfort.

- **DESIGN:** Dramatic, timeless and familiar, HARRINGTON delivers a collection of 5 traditional designs that have been woven with nostalgic sincerity. HARRINGTON is a classic ticking stripe complimented with DERBY a wider style cabana stripe. EVANDALE and CUNNINGHAM are check interpretations providing a classic gingham and larger scale check, with HARDWICK delivering a versatile Regency stripe.
- **APPLICATION:** As a dual-purpose collection, each HARRINGTON style will seamlessly integrate across all spaces, from soft furnishings and drapery to furniture accents. Its dry hand-feel is classic and cosy, suiting styles such as Hamptons, Cottage, Country, and Rustic Modern. For a maximalist approach, the scale of each style has been designed to harmonise with each other, providing the perfect opportunity for a mix and match design solution.
- **COLOURWAYS:** Drawing inspiration from the traditional essence of an English countryside, the HARRINGTON palette embraces muted tones that are restrained and reflective. Using a neutralised base colour and coordinated shades of smoke, ash, sage, clay and slate, the usability of this collection is timeless across seasons, styles and creative applications.
- **RATING:** Piece dyed and free from harmful substances with Oeko-Tex certification.
- **WORKROOM NOTE:** Due to the natural characteristics, subtle variations may develop along fold lines when made into Roman blinds in the darker shades.
