

WARWICK

BRING IN WORLDLY STYLE WITH ARTISTIC PATTERN - HIRANNI by Warwick

Convert your space into one filled with artistic design with HIRANNI. Inspired by localism and worldly style, HIRANNI is a transitional, Australian Made collection of abstract geometrics that will bring fun and interesting pattern to both modern residential and urban commercial interiors alike.

- **DESIGN:** Australian Made and Heavy Commercial, HIRANNI is a transitional, soft touch, jacquard woven collection where its chenille and dry yarns bring depth and dimension, as well as great colour variation to its rustic appearance. Boasting with tactility, HIRANNI is a contemporary take on traditional global textiles which features abstract geometrics that bring ancient pattern to the present with a modern, artistic style. Its worldly design and primitive colour selection make this range ideal for those seeking a sense of authenticity and an evocative feel in residential and commercial settings.
- **APPLICATION:** Heavy Commercial with Oeko-Tex certification and the added benefit of Halo easy-clean characteristics, HIRANNI is a durable and versatile collection suited to all upholstery applications in both commercial and residential spaces. Its raw finish and intriguing pattern is bound to create captivating sofas and unique cushions due to its rustic appearance and artistic nature.
- **COLOURWAYS:** In 8 nature-inspired colourways, HIRANNI's palette brings classic primary and new age, modern shades together to create varying moods that capture the past, present and future in any setting. Its warm, earthy hues of Rust and Honey can work back tonally with cooler tones such as Denim and Kelp which are slightly desaturated, giving them a subtle retro quality. For a timeless style, Tahini and Stone offer warm neutrals, while Brindle and Onyx bring darker, contrasting options.
- **RATING:** Oeko-Tex certified and Heavy Commercial with Halo easy-clean benefits, HIRANNI is an evocative, Australian Made collection of abstract pattern that can be used to create visually intricate residential and commercial spaces. Traditional in design and transitional in style, this collection will sit grandly in an array of interiors and bring authentic crafted looks wherever it is featured.
