## STYLISH, MODERN AND ACCENTUATED COLOUR PALETTE - JACK by Warwick

With the perfect balance between practicality and style, JACK is a two-toned plain with heavy commercial durability. JACK is a stylish collection that is made to suit modern interiors, offering a mix of neutrals and fresh, accented colours.

- **DESIGN:** JACK is a two-toned plain with a natural texture that is enhanced by its dry look and finish. Whether used for cushions or upholstery, this range is ideal for heavy commercial use and modern residential spaces.
- **APPLICATION:** FR tested and featuring Halo easy-clean characteristics, JACK is ideal for creating durable, long lasting, stain resistant furniture and cushions. It can be used in both residential and commercial interiors from modern to classic urban.
- **COLOURWAYS:** Featuring 11 colours, JACK offers a selected range of neutrals, and fresh, modern accent colours. There is a diverse selection to choose from and caters to a variety of commercial spaces.
- **RATING:** Heavy commercial with AS1530.3 fire rating, JACK has high durability, as well as the added benefit of Halo easy-clean. This transitional range will sit effortlessly in any interior space.
