

WARWICK

EXQUISITE SCRIMS, TRANSLUCID AND TONED - JADIRA by Warwick

Overview: Translucent and textured, JADIRA adds understated simplicity to a space with its relaxed scrim weave. With an array of adaptable attributes, this sheer brings semi-opaque privacy and tasteful tone to almost any interior. JADIRA features a 320cm continuous wide-width, self-weighting and is fire rated with an Oeko-Tex certification.

- **Application:** Piece-dyed and 100% polyester with a uniform, scrim style plain weave – JADIRA flaunts a stunning matte finish with a gentle, lightweight and textured handle. With its 320cm self-weighted wide-width, this fabric is well suited to soft romans and drapery projects of any size from contemporary architectural windows to classic residential interiors.
- **Colourways:** Texturally engaging and elegant in saturation, JADIRA's six colourways offer a selection of sheers to filter and coordinate with a range of our dim and block-out drapes including HYBRID. For a modern urban edge, see hues of Shadow and Smoke. Bringing timeless staples are tones of Flint and Chai. Fresh and coastal neutrals of Polar and Ivory add crisp and contemporary colours to this collection.
- **Rating:** Captivating and adaptable – JADIRA's tasteful tones and extensive characteristics bring this scrim sheer to an array of interiors. 320cm wide-width, self-weighted and continuous – JADIRA brings textured interest to a space with a functional and flawless finish. Oeko-Tex certified and fire rated to both AS1530.3 and AS1530.2 standards, this scrim sheer adds transitional depth, dimension and filtered privacy to both residential and commercial interiors of any scale.
