

WARWICK

ARTISTIC & ABSTRACT– LENORA by Warwick

OVERVIEW: It's time to indulge the senses with LENORA, a bold fabric with a luxe contemporary feel. Hand painted in the Melbourne studio, LENORA is designed to make a statement in any room and is simply perfect for striking feature pieces or daring accents on cushions and chairs.

Boasting abstract shapes and a colourful palette of contemporary hues, LENORA exudes an artistic aesthetic and a youthful style that is fresh, modern and on-trend.

- **INSPIRATION:** Drawing inspiration from the unique design style of current geometric trends, LENORA's organic painterly design is the perfect addition to modern interiors and colourful spaces.
- **APPLICATION:** Protected by the HALO properties of enhanced durability and easy cleanability, LENORA offers contemporary style without compromising on quality. Featuring a warp knit construction with digitally printed overlay; this bold fabric presents multi tonal features and an artistic watercolour effect that is perfect for feature furniture. With a unique plush quality, LENORA's soft handle and dry matte finish will feel at home in any interior.
- **COLOURWAYS:** A warm colourway with striking pops of coral; Magenta will add charm and depth to relaxed interiors, while Mustard is a traditional colourway with sophisticated hints of charcoal and grey. Boasting fresh highlights of teal and indigo, Cobalt offers a bright and modern aesthetic while Forest presents a lush palette with varying shades of green. Violet completes the kaleidoscope of colourways with a bold and vibrant aesthetic that is inspired by Pantone's colour of the year.
- **RATING:** FR rated for AS1530.3 with the added benefit of HALO characteristics, LENORA is ideal for upholstery applications in both residential and commercial settings. Playful, colourful and modern, this striking fabric will incorporate into contemporary interiors with ease.
