

WARWICK

WHERE CONVERSATIONS LINGER, WRAPPED IN INTERWOVEN VINTAGE TONES – LEONI by Warwick

LEONI captures the warmth of 1960s sunken lounges and the glamour of alpine retreats, blending nostalgic influence with a contemporary edge. Rich in texture and layered colour, it combines mid-century cool with an appreciation for expressive, character-filled interiors.

- **DESIGN:** An interplay of boucle and chenille yarns lends this upholstery its richly mottled appearance and inviting hand feel. Woven as a yarn-dyed jacquard, subtle tonal variations reveal a layered sense of depth and dimensional texture.
- **APPLICATION:** In a durable synthetic composition, LEONI is designed for heavy commercial areas whilst maintaining a sense of luxury. An SBR backing enhances stability and long-term durability, allowing the fabric to upholster beautifully across curved, tailored and organic silhouettes. Combining performance with elevated texture, LEONI does not compromise on comfort or usability.
- **COLOURWAYS:** LEONI'S palette moves through grounding neutrals and atmospheric tones. Latte, Driftwood and Cocoa evoke timber, stone and aged leather, while Forest and Midnight introduce a moodier sensibility reminiscent of mountainous landscapes and low-lit interiors. Warmer tones including Biscotti and Russet bring a softened retro influence, contrasted by the playful multi-tonal character of Sprinkle.
- **RATING:** Yarn dyed, Heavy Commercial rated with Halo easy clean properties, Oeko-Tex certification and an AS1530.3 fire rating.
