CREATE ENDLESS COMBINATIONS WITH A GENEROUS PALETTE OF COMMERCIAL TEXTURES - GLADIATOR by Warwick

Combining colours and textures has never been easier. GLADIATOR IV is an extensive library that features a variety of transitional, Heavy Commercial plains with varying textures and finishes — made to suit any residential and commercial interior space, and mood. This collection book is a one-stop shop for Warwick's best and high performing products that are stylish, sophisticated, and perfect for everyday use.

- **DESIGN:** Featuring 10 diverse designs and an extensive selection of over 180 colours that range from core neutrals, to fashion-forward earth tones and usable bright pops of colour, GLADIATOR IV brings versatility, durability and creativity for every interior design. From chunky, two-toned finishes, to refined, marled effects, plush velvets, and sophisticated leather-like options, any look is achievable with this collection book.
- **RATING:** Heavy Commercial with the added benefits of Halo easy-clean and FR rating, GLADIATOR IV is a go-to book that offers a wide range of fabrics that are durable and versatile. Sophisticated and casual interior looks can easily be created with this selection that prioritises high performance, as much as the aesthetic style.
