LUSTRELL ATOMIC

COMPLEX AND DURABLE WITH A TOUCH OF MODERN OPULENCE - LUSTRELL ATOMIC by Warwick

Bringing an enticing, metallic finish to the Lustrell range, LUSTRELL ATOMIC is an opulent vinyl collection that is sleek in nature. Perfect for modern residential and urban commercial spaces with healthcare benefits, LUSTRELL ATOMIC is ideal for creating sophisticated environments with a subtle shine.

- **DESIGN:** Transitional and highly durable, LUSTRELL ATOMIC is a plain vinyl with an embossed finish that brings textural interest. With the added benefit of HealthGuard protection, this collection allows for fashion-forward looks to be created with its stylish appearance and elegant sheen.
- **APPLICATION:** FR tested to AS1530.3 standards with a Heavy Commercial rating, LUSTRELL ATOMIC is a bleach cleanable and versatile upholstery range that offers antibacterial and antimicrobial properties, making it ideal for commercial spaces. From lavish hotels and restaurants, to modern homes with a futuristic, polished feel, LUSTRELL ATOMIC can be featured in an array of interiors and will bring a sense of sophistication wherever it sits — whether it's urban dining chairs, or unique sofas and cushions.
- **COLOURWAYS:** Featuring 13 colourways, LUSTRELL ATOMIC takes inspiration from natural elements and metallic hues. Copper, Bronze, Gold and Silver are classic tones that complement LUSTRELL ATOMIC's nature, while Champagne offers a softer gold for a lighter look. Core neutrals can be found in Ecru, Snow, Carbon and Pewter, whilst Sapphire, Olive and Sage complete the palette, bringing trend-driven hues for a fashionable style.
- **RATING:** Heavy Commercial with an AS1530.3 fire rating and certified for quality management system ISO9001, LUSTRELL ATOMIC is a lustrous, embossed vinyl that will suit any space and create impactful settings. With the added benefit of HealthGuard treatment and being bleach cleanable, this collection features antibacterial, antimicrobial, and anti-dust mite properties, making it fit for any upholstery purpose.
