

WARWICK

INDULGE YOUR SENSES – MAGMA by Warwick

OVERVIEW: Soft, plush and always inviting, MAGMA offers a captivating style that is rich, luxurious and effortlessly comfortable.

A transitional plain that boasts lush Chenille qualities, a fine texture and soft mottled lustre, MAGMA is perfect for urban interiors seeking a sophisticated mood that is sumptuous yet refined. With a regal colour palette of traditional and modern hues, MAGMA's indulgent handle and stylish mood will create a high-end aesthetic in any space.

- **APPLICATION:** FR rated and protected by the HALO properties of enhanced durability and easy cleanability, MAGMA's regal aesthetic will feel at home on cosy scatter cushions, plush sofas and beautiful bedheads. Featuring a plain weave construction and piece dyed Chenille yarns, this charming fabric offers soft textures, a warm finish and a smooth subtle sheen.
- **COLOURWAYS:** Almond, Asphalt and Onyx are neutral shades that will incorporate into existing design schemes with ease, while pastel shades like Celadon and Musk offer a calm aesthetic and dreamy romantic mood. Pine, Paprika and Peacock complete the colour palette with opulent jewel-like tones and a dramatic style that demands to be noticed.
- **RATING:** FR rated with the added benefit of HALO characteristics, MAGMA's enhanced durability and easy cleanability make it the perfect fabric for upholstery in both residential and heavy commercial environments. Stylish yet functional, this plush fabric offers the perfect balance of colour and texture with a rich high-end aesthetic.
