## TAILORED TEXTURES – MALABAR by Warwick

Overview: A transitional plain with a delicate Herringbone weave, MALABAR is a versatile range that will add visual interest and tactile texture without compromising on function or form.

Presenting a flat tailored look with a soft dry handle, MALABAR offers an appearance that is smart and sophisticated. Joining our Warwick Naturally brand MALABAR's comprehensive colour palette of versatile hues is ideal for interiors seeking a refined style with a casual mood.

- **Design:** MALABAR is a Warwick Naturally quality that exhibits the relaxed movement and raw textures of natural fibres without compromising on durability. Featuring a subtle Herringbone design with a dry textured finish, MALABAR is a timeless plain with a tailored fashion look.
- **Application:** MALABAR is designed to be the perfect fabric for any design scheme with an urban feel that can be moulded to suit both casual and sophisticated interiors. Featuring non-pile characteristics and a piece dyed jacquard weave, this dual-purpose fabric is ideal for both residential and commercial environments seeking a natural tailored aesthetic.
- **Colourways:** Natural tones such as Oatmeal and Donkey offer an organic colour, while fashion focused colours like Spruce and Watermelon are refreshing hues that will bring a bright and playful perspective. Creating balance and harmony between light and dark, traditional tones such as Nougat and Olive offer a classic look that is warm and inviting.
- **Rating:** A dual-purpose collection that is perfect for drapery and upholstery purposes, MALABAR is a Warwick Naturally fabric with Oeko-Tex certification that will stand the test of time in both residential and commercial settings.
