RESORT STYLE AT HOME - Seychelles by Warwick

Overview: SEYCHELLES expands Warwick's popular SUNDEC range with a stripe story for outdoor living. New slim lines are a distinctly contemporary addition while extended colour lines for WAIKIKI, MINDILL and MALLACOOTA coordinate with existing plain and pattern ranges. The collection takes indoor comfort and style outdoors with a polished sense of balance and harmony.

- Inspiration: Nautical style, beach life and modern Australian living have inspired a collection with resort influences and a relaxed attitude.
- Application: For both indoor and outdoor use, SEYCHELLES is for lounging poolside, lazing on the balcony or raising the stakes in stylish outdoor rooms and on entertainer's decks. Durable, supple and premium quality fabrics are easy to use in any environment.
- Design: From slender and refined modern lines, to traditional, wide nautical stripes, a structured design delivers carefree style.
- Colourways: Neutrals and modern brights mix and match using warm tones and cool colours. Denim, Cobalt and Marine enhance a contemporary coastal theme, while Sunshine, Lime and Calippo add vibrant design highlights or tone it down for a sophisticated statement with Stone and Steel colourways.
- Rating: SUNDEC fabrics are OEKO-TEX certified and FR tested, stain resistant, lightfast, durable and easy to clean. SEYCHELLES is also developed to withstand mould and mildew growth, chlorine damage and increased wear and tear from outdoor use.
