The feature design, Mandalay is a delicate batik floral, which coordinates with the Moroccan inspired motif, Jaipur. Both designs are printed on the natural fibre base cloth, Goa, with its natural fibre blend offering a defined texture that is suitable for general domestic upholstery and drapery use.

The invigorating colour palette features vibrant tones of Tangerine and Turquoise, and classic neutrals of Cloud and Smoke.

Paired back with our popular luxurious soft touch plain, Lucent, our Mandalay collection will invigorate any interior.
