MYTHOS

A SHEER SELECTION WITH METALLIC MOTION - MYTHOS by Warwick

Overview: MYTHOS's transitional nature adds textural movement to an array of spaces with a stunning stria pattern and subtle metallic sheen. With a 300cm continuous wide-width and self-weighted finish, MYTHOS brings a serene and sophisticated sheer to encompass most interior environments – delivering the perfect drape every time.

- **Design:** The yarn-dyed construction of MYTHOS creates its organic stria aesthetic. With its slight metallic sheen and continuous wide-width, this sheer displays a lustrous movement and captivating nature that is versatile and dynamic.
- **Application:** Fire tested to both AS1530.3 and AS1530.2 standards, this Oeko-Tex certified sheer offers a beautiful light-filtering backdrop to any residential and commercial environment. MYTHOS's continuous wide-width and transitional texture adds privacy and visual interest to windows large or small.
- **Colourways:** With 10 carefully considered colours, MYTHOS offers a refined selection of sheers that adapt to most interiors. Warm hues can be found in Nougat, Hemp and Possum. Cooler colours include Charcoal, Pebble, Mist, Mercury and Pepper. Completing the collection, Polar and Ebony bring the classic black and white tones.
- **Rating:** MYTHOS offers a coherent collection of adaptable sheers to suit most schemes. With a continuous 300cm wide-width this self-weighted selection blends into large or small-scale projects in both residential and commercial environments. Fire rated to AS1530.3 and AS1530.2 standards and Oeko-Tex certified; MYTHOS brings organic texture, filtered privacy and visual interest to a space with a flawlessly draped finish.
