

WARWICK

PEBBLED TEXTURE WITH PERPETUAL POTENTIAL - ODEN by Warwick

Overview: ODEN features a contemporary two-tone texture with heavy commercial characteristics. Tailored and refined, ODEN is a universal fabric with a versatile palette - suited to any upholstery settings in residential and commercial environments.

- **Inspiration:** With its name loosely inspired by Norse mythology, ODEN is a contemporary new upholstery fabric with perpetual power from its heavy commercial rating. ODEN's textural, two-tone finish is a perfect way of adding visual interest to a space that will last.
- **Design:** ODEN is a 100% polyester plain weave with a woven backing for added strength - giving it a mid-weight handle and density. Its beautiful pebbled finish is achieved through a piece dyed, cationic yarn construction. With 18 colours, ODEN has a hue for every upholstery application.
- **Application:** FR rated, ODEN is perfect for adding colourful visual interest to space in a refined way. A fantastic choice for cushions and upholstery ODEN boasts Halo properties of easy cleanability with a heavy commercial rating allowing you to add enduring contemporary colour.
- **Colourways:** ODEN's colours help define its mood - primary colours like Mustard, Brick and Oasis offer a more playful palette. Trending tones of Indigo, Eggplant and Evergreen translate seamlessly into more contemporary environments. Hues of Carbon, Pebble and Ash bring classic neutrals to the mix, blending into any interior space adding textural interest.
- **Rating:** AS1530.3 FR tested with Oeko-Tex certification, ODEN is the perfect upholstery fabric for adding pebbled, textural tones to any space. With Halo properties, ODEN offers contemporary colours in a refined and easy to clean way - suitable for all residential and commercial interior spaces like hospitality, hotels, schools, libraries and everything in between.
