TRITAN PLAINS II

ANDREAS . BRONX . MARCUS . OTWAY

ENDLESS DURABILITY MEETS EFFORTLESS STYLE - TRITAN PLAINS II by Warwick

Overview: Introducing a comprehensive collection of plains, TRITAN PLAINS II offers highly durable fabrics that are perfect for high performance areas needing specialised protection. Tritan is designed for aged care, hospitality and commercial upholstery, offering significant advantages to the discerning commercial buyer. A robust collection that won't compromise on style, TRITAN PLAINS II combines dry, soft textures with a diverse colour palette to create a style statement that is comfortable and contemporary yet inherently practical.

- **Strength and Durability:** Tested for heavy commercial upholstery applications.
- **Halo Easy Clean:** High-performance, easy clean fabrics that pass the toughest testing. All Warwick Halo fabrics are woven to precise specifications and tested to exacting standards for colourfastness, abrasion, inherent stain resistance and safety.
- **Bleach Cleanable:** See care label for full instructions
- **Moisture Barrier:** Protects interior upholstery constructions by eliminating problems caused by liquid penetration and incontinence.
- **FR Rated:** Tested to comply with AS1530.3.
- **Tritan Treatment:** Is odour free, bio-degradable, non-carcinogenic and contains no heavy metals. It is classed as a nondangerous chemical.
- **Antibacterial, Antimicrobial:** Its efficacy is shown to inhibit a wide range of micro-organisms including bacteria, moulds, yeasts and algae. Most significant of which is its effectiveness against *Staphylococcus aureus* A129.
- **Anti dust mite:** Prevents the infestation of dust mites in new fabrics as well as stopping microbial growth.
- **Dual Stocked:** This range is also available stocked without Tritan backing as Antila, Blaze, Mason and Oslo for complete flexibility.
