

WARWICK

CAPTIVATING TONE AND CHUNKY TEXTURE - OZARK by Warwick

Overview: A chunky collection of texture and tone, OZARK brings strength and stability together with a captivating handmade aesthetic. This transitional plain features a chameleon of colours with an engaging stria pattern.

- Design: OZARK is a yarn-dyed plain weave with a natural coloured warp yarn that runs continually through the collection. With a heavy commercial rating and a mottled and multi-toned texture, this fabric flaunts a beautifully raw finish and weighty handle, which brings a relaxing nature to an array of upholstery applications.
- Application: With its chunky direction, heavy commercial strength and AS1530.3 fire testing, OZARK merges technical characteristics and inviting feel, with captivating contrast. This timeless selection of fabrics feature Halo easy-clean properties, making it the perfect choice for casual scatter cushions to small or large-scale upholstery – creating tasteful and tactile spaces.
- Colourways: OZARK comes in a cultivated collection of 20 colours, presenting users with an array of moods for almost any interior. Ecru, Oyster, Tahini and Mocha offer a selection of timeless earthy tones. Coral, Scarlet, Ivy and Mustard bring tonal and trending colours to this range. Pepper, Mulberry, and Jade deliver daring colourways with bold and courageous contrast.
- Rating: Fire rated to AS1530.3 standards, this heavy commercial poly-acrylic blend features Halo easy-clean capabilities and Oeko-Tex certification. Tactile and toned, OZARK adds a refined and rustic mood to an array of interiors from classic country to trending and contemporary. With an organic and transitional aesthetic, this collection adds engaging texture that will last in any space.
