LUXURIOUS LINEN – PLATEAU by Warwick

Overview: Rustic and relaxed with a casual mood, PLATEAU's 100% Linen handle is tactile and delightful to touch. A comprehensive colour palette of soft earthy hues, PLATEAU evokes thoughts of nature with an undyed warp yarn that offers organic textures and a dry two-tone finish. Perfect for both drapery and upholstery, this casual collection will create effortless style with an aesthetic that is soft, subtle and refined.

- Inspiration: Drawing inspiration from the natural fibre trend, PLATEAU boasts a pure linen construction to create a relaxed aesthetic with a calm and comfortable mood.
- Application: A yarn-dyed plain weave featuring a natural slub to create contrasting colour and texture, PLATEAU is a Warwick Naturally quality with dual purpose characteristics and washability. PLATEAU offers a soft linen texture that will add character and dimension to contemporary and traditional interiors alike.
- Colourways: Natural tones such as Wholemeal and Mink are ideal for subtle sophistication, while trend colours like Saffron and Banana are slightly bolder options with a fresh and modern aesthetic. Ecu and Olive are traditional hues with a classic feel while Raven and Graphite provide darker contrasting tones that are sleek and refined.
- Rating: A dual-purpose Warwick Naturally range with the added benefit of washability, PLATEAU is perfect for both residential and commercial environments seeking a natural fibre quality and beautiful textured feel.
